Subject to any express provision to the contrary set forth in this Declaration, Declarant may exercise any or all of the rights granted pursuant to this Section 6.03 without the consent of any Person other than that of an Owner whose Lot(s) may be affected by the exercise thereof.

6.04 Paving Rights. Construct, reconstruct, pave, resurface, repair, maintain, widen, and/or replace any road, private or public, street, court, alley, ways and cul-de-sac, including, without limitation, Blenheim Road, without the consent of any Person.

Except as otherwise expressly provided in this Article VI, each Owner, by acceptance of a deed to or other transfer or conveyance of a Lot, for themselves and their successors and permitted assigns, hereby consents to and approves any act taken by Declarant in furtherance of any right granted under this Article VI and shall evidence such consent in writing if at any time requested to do so by Declarant; provided however, that, any refusal to give such written consent shall not obviate the general effect of the provisions set forth in this Article VI.

VII SPECIAL ASSESSMENTS

7.01 Creation of the Lien and Personal Obligation of Assessments. Declarant, for each Lot owned, hereby covenants; and each Owner of any Lot by acceptance of a deed, whether or not it shall be so expressed in any such deed or conveyance thereof is deemed to covenant and agree to pay to the Committee special assessments (a "Special Assessment") to cover, in whole or in part, the cost of maintenance of any of the Easements performed by the Committee pursuant to Section 5.03(d) hereof, such Special Assessments to be fixed, established and collected from time to time as is reasonably required by the Committee, provided that any such Special Assessment shall require the consent of two-thirds of a majority of the members of the Committee at a meeting of the Committee duly called for this purpose. At such a meeting, a quorum shall consist of a majority of the members of the Committee. The Special Assessments, together with such interest thereon and cost of collection thereof as hereinafter provided, shall be a charge upon the land and shall be a continuing lien upon the Lot against which each such assessment is made in the manner as hereinafter provided and subject to prior liens on the Lot as hereinafter provided. Each such Special Assessment, together with interest, costs and reasonable attorney's fees, shall also be the personal obligation of the Owner of such

Lot at the time when the Special Assessment falls due. Such personal obligation shall not pass to his/her successors in title.

7.02 Effect on Non-Payment of Assessments; Remedies of the Committee. Any Special Assessment which is not paid when due shall be delinquent. If the any such Special Assessment is not paid within fifteen (15) days after the due date, the Special Assessment shall bear interest from the date when due until paid at a rate of interest equal to the maximum annual rate of interest allowed by Virginia law on judgments at the time the delinquency occurred and the Committee may bring an action at law against the Owner personally obligated for the same, or foreclose the lien against the lot. Interest, court costs and reasonable attorneys' fees in any such action shall be added to the amount of such Special Assessment. No Owner may waive or otherwise escape liability for the assessments provided for herein by nonuse of the internal roads or Pathway Easements or abandonment of his/her Lot.

7.03 Lien for Payment of Assessments and Subordination of Lien to First and Second Lien Deeds of Trust. There shall be a continuing lien upon each of the individual Lots in order to secure payment of any Special Assessment imposed by the Committee in accordance with this Declaration, but such lien shall be at all times subject and subordinate to any previously recorded mortgages or deeds of trust placed on each Lot, respectively. However, at such time as the Committee places on record in the Clerk's Office of the Circuit Court of Albemarle County, Virginia a notice of delinquency as to any particular Lot on a form prescribed by the Committee, then, from the time of recordation of said notice the lien of such delinquent assessments in the amount stated in such notice shall be a lien prior to any subsequently recorded first or second mortgages or deeds of trust in the same manner as the lien of a docketed judgment in the Commonwealth of Virginia.

The lien of assessments provided for herein, when notice has been placed on record as above provided, may be foreclosed by a Bill in Equity in the same manner as provided in the foreclosure of vendors' liens and liens of similar nature. A statement from the Committee showing the balance due on any assessment shall be prima facie proof of the current assessment balance and delinquency, if any, due on a particular Lot.

VIII OTHER PROVISIONS

8.01 Enforcement; Costs. Enforcement of the provisions of this Declaration shall be by proceedings at law or in equity against any Person(s) violating or attempting to violate such provisions, either to restrain violations or recover damages, or both. Such action may be brought by the Committee. The substantially prevailing party shall be entitled to recover its costs and reasonable attorneys' fees incurred in any such action, from time to time and at all levels of proceedings.

8.02 Severability. The invalidation by judgment or court order of any one or more of these covenants shall in no way affect the validity and enforceability of the remaining provisions, which shall remain in full force and effect.

8.03 Notice. Any notice required to be sent to any Owner under the provisions of this Declaration shall be deemed to have been properly sent when mailed postage prepaid to the last known address of the Owner as appears on the real estate tax records of the County of Albemarle, Virginia.

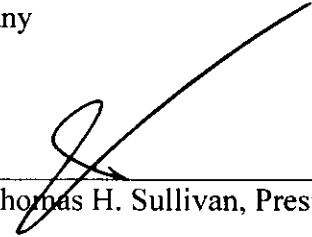

8.04 Amendments. This Declaration may be modified or amended in whole or in part by recorded instrument executed by the Declarant until the Turnover Date and, after such time, this Declaration may be amended or modified by the Owner(s) of a majority of the Lots.
